Chapter 1

One normal day Michael was riding the yellow 'cool' bus home from school talking to his friend while looking out the window.

"Ya know they call this the cool bus but really it's just a plain old black and yellow school bus with 16 rows of benches holding 32 students." Collin said,

"I know right I mean why do people ca-" Michael started to say when suddenly Collin interrupted him.

"That's cash! Stop the bus that's my dog stop the bus!" Collin yelled as he jumped out of his seat. The bus suddenly stopped, and Collin jumped out onto bright green grass and yellow dandelions. A German Shepherd trotted up to him while its black and tan hair bounced, and his brown eyes darted from thing to thing.

"Cash you got out again! You need to stay home!" Collin yelled while running to the dog. "Well buddy our house is just around the corner come on."

"see you around 5?" Michael asked Collin before the bus took off.

"yaw about 5 see ya!" Collin yelled. "come on boy lets get home before mom does." You could see Collin's blond hair getting messed up in the wind while he was sprinting home with Cash. "Come on slowpoke" Collin said as he ran up his lawn with Cash right behind him. Collin slowed down by the door pulled out his key put it in the lock and opened the door and Cash sprinted in.

"Gosh you don't have to be so speedy Cash" Collin said as he walked into the house. He put his black and red Messi backpack on the railing before heading up the stairs to his room to watch TV.

"Hi Daphne, what are you doing" Collin said as he started loving the dog "was up Michael"

"Nothin' much you ready to go to the skatepark?" Michael asked.

"With the dogs? Wait weren't we supposed to go tomorrow?" Collin said

"Oh, ya huh isn't your mom taking us? Or is it mine or is it your dad?" Michael asked.

"It's my brother Michael! You really need to remember things, yesterday in math you asked me what's twelve times twelve! Come on man that 144!" Collin said

"Sorry man I just can't seem to remember stuff lately!" Michael yelled

"You're okay but you should maybe see a doctor or something" Collin said

"My mom says a doctor is too expensive" Michael replied.

"Weird hey let's take these dogs for a good long run" Collin said

"Clever idea well then what are we waiting for let's go!" Michael said as him and Daphne started riding and running away.

"Time goes by fast when you are having fun" Michael said.
